2012

An aerial photograph showing a large area of agricultural land. The fields are divided into rectangular plots, some of which are planted with crops, while others appear to be fallow or recently harvested. A road or path runs diagonally across the middle of the image. In the top left corner, there is a small cluster of buildings, possibly a farm or a small village. The overall color palette is dominated by various shades of green and brown, indicating different stages of crop growth or soil conditions.
